If you have a student enrolled in summer driver's education these classes begin on Monday, May 21st, at 8:00 a.m. in the science room. The students need to bring their lunch. Mr. Amos has more details if you need them.

If you need to review this information later it will be posted on New Lima's website. I hope the students have a great summer and come back prepared to have a wonderful year.

Sincerely,
